ANNUAL REPORT (30 August 2017 to 28 August 2018)

Presented by Dr. Bidyut Samanta, Principal in the 70th Foundation Day Celebration Ceremony of Kharagpur College.

It is a matter of great joy and pride for all of us that Kharagpur College, after completing 69 years of its glorious journey, entered 70th year of its foundation this 29th day of August 2018. On this auspicious occasion, we have arranged a programme to commemorate this unforgettable event with all our honourable guests, well-wishers, faculties, non-teaching staff and students with fervour and solemnity. It is of great pleasure to me to extend a very warm and hearty welcome on behalf of the college to all those present in this auspicious function. I solemnly remember with high regards, Prof. H. B. Sarkar, the Founder Principal of this college, and, also, all other honourable persons, who contributed selflessly towards development of this institution in different capacities at different times. We are grateful to our Guest-in-chief, Dr. Avijit Roychowdhury, Inspector of Colleges, Vidyasagar University, for being kind enough to grace this occasion setting aside his busy schedule. We express our indebtedness to our esteemed Guest, Prof. Debabrata Dutta, and former Head of the Deptt. Of Philosophy and Dr. Sachidananda Bhattacharya, former Head of the Deptt of Zoology. We are also thankful to Prof. Pradip Kumar Mukhopadhyay, an ex-student of this college presently serving as Head of the Dept of Commerce, Dwijendralal College, Krishnanagar Nadia and Dr. Arnab Ojha, an exstudent of this college and presently serving as Assistant Professor in Chemistry, Mahishadal Girls' College, and Sri Satyanarayan Banerjee, Ex Accountant and Sri Kumud Ranjan Roy, Ex Library Assistant, Evening shift of the college, for being present in this function in response to our request to felicitate them on this august occasion in conformity with our tradition. We are sincerely thankful to Prof. Anjan Chaki, Honourable President of the Governing Body of this college for his relentless effort to provide effective leadership towards achieving phenomenal progress in every aspect of the college. Thanks are also due to all other members of the Governing Body for their valuable guidance and support in all matters. I express my indebtedness to our students, faculties and non-teaching staff whose cooperation and active participation, round the year, in maintaining normal schedule and also in achieving progress are praiseworthy. We also express our deep gratitude to Vidyasagar University, UGC and Govt. of West Bengal.

Now, I take opportunity to place before you the round-up events occurred during the last one year since we celebrated our 69th year of the establishment of the college.

It is my great pleasure to mention that our College has been selected to receive an amount of Rupees Two Crores under Component 9 of RUSA 2.0 infrastructural grant by the Rastriya Uchhatara Siksha Avijan (RUSA) for new construction, renovation and procurement of equipment, books, computer and printers during the current financial year 2018-19. Out of which Rs. one crore has been received few days ago.

We have also received Rupees One Crore from the Higher Education Department, Govt of West Bengal in response to our appeal to our Hon'ble Chief Minister. We have started construction of a new building within our campus out of this fund.

From this current academic session (2018-2019), the college has introduced two new post graduate courses in English and History. Thanks to Vidyasagar University and West Bengal State Council of Higher Education for giving us the permission for these two new courses. In the last academic session we have successfully implemented Choice Based Credit System for the Science Honours courses as introduced by our affiliating university. CBCS is introduced for all other Honours and General courses from this new session. In CBCS evaluation is

semester based. So a sea change took place in the curriculum. In order to impart quality teaching we have made few changes in our academic schedule. BA General course has been totally shifted to Morning Shift and for students five days a week system is introduced. Each day there is a day off for a group of students thus enabling more available rooms and teachers for rest of the students. Hence, the class routine has become more compact for the students. IQAC has organized a workshop on “Vidyasagar University Regulation on BA/BSc/BCom (Hons & General) & PG courses under Choice Based Credit System” which was held on 04.08.2018. This will enable the faculties to implement the new system in a proper way.

In this session Payment of Admission Fees is made completely online through SBI collect. Now students can pay their Fees online by Net banking or by ATM card.

In last one year all the students of the college have been registered under NAD (National Academic Depository). This is a mission of the Union Government and UGC for Digital India vision of the Hon'ble Prime Minister. In future students can download their Admit, Mark sheet Certificate etc. from the website of NAD and verification of academic qualification for employments of the students from the college will no longer be required. Employer can verify their qualification directly from the website of NAD.

We have also started initiative for providing Mobile App to all the students with the help of I-Made (Innovation of Mobile Application and Development Ecosystem) of DOT, Govt. of India. This is another mission of India Government for Digital India. Using this app student can get access to all their required information from the college. They will be provided critical features like E-notice Board, Time table, E-mail integration, Attendance management System, News & Announcement, Fee payment system, cashless campus etc. I-Made will also encourage Entrepreneurship among the students by providing mentorship & guidance for raising fund etc. They will also facilitate skill development by providing training on different aspects of mobile app development. Students and faculty will be beneficiaries of the programme.

IQAC of our college has taken initiative to introduce Mentor- Mentee programme for the students of our college. We believe that this programme will definitely help the students in overcoming different problems they are facing.

Carrier counseling cell of the college has arranged training programme of 100 passed out students in our college for 100-120 hours sponsored by TCS. After 20 days training TCS is supposed to select 50 students for employment. The process is now on.

Webcon, a State Government Company organized a FDP in our college from 7th Sep to 20th Sept in the last year. This year they will organize EDP (Entrepreneurship Development programme) sponsored by DST, Govt. of India for 30 students from science stream.

Kharagpur College inaugurated its Swimming Pool in its last Foundation Day. The Pool is now in full swing. 170 students registered their names for learning swimming under the guidance of expert trainers. Two male and one female trainer have been engaged for the purpose.

Staff Profile:

During this period, our colleagues Sri Dhruba Prasad Bagchi, Head Clerk Day shift, Sri Biswajit Sarkar, Head clerk evening shift and Sri Utpal Biswas, Cashier retired from their

service. We express our gratitude and sincere regards to all of them for their invaluable services rendered to this institution.

We feel pain to report that during this period we have lost our respected ex colleagues, Dr. Sankar Praasad Banerjee, Former Reader in Sanskrit, Sri Ajit Ghosh, Laboratoy Attendant, Sri Kanailal Sain, Bearer. We convey our heart-felt feelings to their bereaved family members and pray to the almighty that their departed souls may rest in peace.
