INDIAN INSTITUTE OF TECHNOLOGY KHARAGPUR
KHARAGPUR-721 302, INDIA

To

The Principal
Kharagpur College

The Government of India offers prestigious Prime Minister's Research Fellowship (PMRF) aimed to attract highly talented students of the country to Ph.D. programs of premier educational institutions including Indian Institute of Technology, Indian Institute of Science, Indian Institute of Science Education and Research, etc. for carrying out cutting edge research in various areas of science and engineering and to promote technology development through innovation. The PMRF scholars are required to teach and share their knowledge with the budding minds of the neighbourhood educational institutions like ITI/Polytechnic/College/University as per the government guidelines (weekly once, 24 hours per semester). IIT Kharagpur has over 190 PMRF scholars and they would like to teach and interact with the students of your institution. We are sure that such knowledge sharing would mutually benefit the students of your institution and our scholars. PMRF scholars of our institute will approach you for teaching and sharing their knowledge. They may be allowed according to the mutual convenience. Their involvement in the teaching may be certified according to the enclosed format in institutional/departmental letterhead.

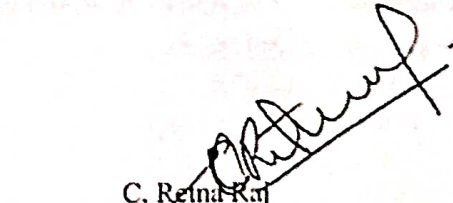

It may be noted that there will not be any financial involvement from your institute in this regard.

Your support is highly appreciated.

Subject: Application regarding permission to teach in the campus as a visiting Prime Minister Research Fellow pertaining to PMRF Deliverables

Respected Sir,

I, Ritwika Dey, am a PMRF at Department of Chemistry, IIT Kharagpur. I am writing this application requesting permission to teach in the Department of Chemistry of your college as per PMRF guidelines.

According to the PMRF guidelines, certain deliverables have to be achieved by the candidate each year. Among such duties, the candidate is expected to teach once a week in a nearby government college as a community service. Thus, it shall be my privilege to teach students as a visiting PMRF in your esteemed educational institution. It shall also be an extremely fulfilling experience to be around such erudite lecturers and professors in the department as well.

I will be extremely grateful if you kindly grant me the permission to teach in Chemistry Department, once a week during the current and upcoming academic year so that I can achieve my deliverables as a PMRF Scholar.

Thank You,
Your Sincerely,
Ritwika Dey

Subject: Permission regarding PMRF teaching duties/deliverables outside campus

Dr. S. Bhattacharyya
Professor & Head
Department of Mathematics
Indian Institute of Technology
Kharagpur, 721302, India

Respected Sir,

I, Manohar Kumar, am a PMRF scholar of the Department of Mathematics, IIT Kharagpur. I am writing this application requesting permission to teach outside the campus as per PMRF guidelines.

According to the PMRF guidelines, certain deliverables/duties have to be completed by the candidate. Among such duties, the candidate is expected to teach once a week in a nearby government School/ITI/College for an hour. So the candidate has to do a total of 4 hours of teaching per month outside the campus. During the pandemic lockdown, this deliverable was not compulsory. However, since the lockdown has been lifted and colleges have reopened, I am required to fulfill this duty as a PMRF scholar so that I can continue receiving my fellowship.

I will be extremely grateful if you kindly grant me the permission to teach outside the campus so that I can fulfill my duties as a PMRF scholar.

Thanking You,
Yours Faithfully,

Manohar Kumar
