Respected Sir

I am submitting a proposal for the establishment of a Research Centre in Social science and Literature in order to carryout Ph.D. programme in Kharagpur College under the recognition of Vidyasagar University to encourage cluster of academic staff to generate a stimulating research environment, which will both inspire new collaborative activity among experienced researchers and encourage the development of new researchers through the training, support and mentorship that arises through everyday interactivity and to tackle complex problems through an interdisciplinary lens, combining multiple fields of study.

Our College has a strong reputation for academic excellence and research, and we believe that this centre will further enhance our research capabilities and contribute to the university's research excellence.

We believe that this research centre will be a valuable addition to the university's research landscape and contribute to its mission and goals. We look forward to the opportunity to discuss this proposal in further detail.

With best regards.

Dear Sir,

PRISM (Promoting Innovations in Individuals, Start-ups and MSMEs) scheme of DSIR, Government of India aims at to support individual innovators which will enable to achieve the agenda of inclusive development. IIT-Kharagpur has been successively executing that program through SRIC for last 7 years.

As a part of the PRISM program within the project "SUPPORT TO TEPP OUTREACH CUM CLUSTER INNOVATION CENTRE (TOCIC) AT INDIAN INSTITUTE OF KHARAGPUR UNDER PROMOTING INNOVATIONS IN INDIVIDUALS, START-UPS AND MSMES (PRISM)", we may organize a one day workshop on "**INTELLECTUAL PROPERTY RIGHTS (IPR) FOR INNOVATORS AND START-UPS**" at the **Annex-1 Building of the Department of Metallurgical and Materials Engineering, IIT-Kharagpur** on 18<sup>th</sup> March, 2023, starting at 9.30 A.M.

The objective of the workshop is to make prospective entrepreneur and innovator aware about PRISM program and relevant support from DSIR. Further, the role of IPR in promoting

innovation, start-ups, and entrepreneurship will be deliberated. The same will help to develop innovation and entrepreneurship ecosystem within the college and the chamber. Scientists from Department of Science and Technology and Biotechnology, WB will deliver talk.

Hence, it will be our immense pleasure if you would kindly nominate 10-15 students and teachers from your esteemed college for participating in the said workshop.

Please confirm your participation on return mail/email. Thanking you,

Kind regards,

Tapas Kumar Bandyopadhyay
