The screenshot shows a Gmail inbox with three emails. The first email is from 'arnav das' to 'Students Grievance Cell Kharagpur College' dated 23 Nov 2019, 19:13. The subject is 'fees problem in Kharagpur college'. The body of the email is a letter from a student of the physics department, 3rd semester, requesting help to reduce exam fees from 4800 rupees to 3005 rupees, stating that the current fees are too high for a middle-class background. The second email is a forwarded message from the same student to the grievance cell, dated 23 Nov 2019, 7:13 PM. The third email is a response from the 'Students Grievance Cell Kharagpur College' to 'arnav' dated 25 Nov 2019, 17:17. The response explains that the increase in fees is due to an increase in VU semester exam fees and course fees, and that there is no increase in college fees, only a 100/- increase in VU exam fees.

The screenshot shows a Gmail interface with two email threads. The top thread is from Souvik Das to the Students Grievance Cell Kharagpur College, dated 25 Nov 2019, 09:52. The email text reads: "Honourable sir/madam, Thanks for your reply. Our last date of from fill up is 26/11/2019. We are getting only 4 days to pay 4850. And this is the receipt of the 3rd semester previous year (2018-19) of physics honours." Below the text is a PDF attachment titled "New Doc 2019-11-25 08.06.11". The bottom thread is a response from the Students Grievance Cell Kharagpur College to Souvik Das, dated 25 Nov 2019, 17:11. The response text reads: "Dear Souvik Das, We talked with our principal about your issue with the document provided by you. He clarified that the increase of Rs.300/- (4850-4550) is due to: (i) increase of Rs.100/- (600 - 500) in VU semester exam fees and (ii) collecting full course fees Rs.400/- at a time in 3rd sem. last year 200/- was collected in 3rd sem and 200/- in 4th sem. this year no course fees will be collected in 4th sem. so there is no increase in college fees, only 100/- increase is due to increase in VU exam fees. hope this clarification will satisfy you. with thanks, convener Students Grievances Redressal Cell Kharagpur College".

However, both of them addressed the issues of gender equality, economic opportunities and the need of providing education to the women.

REPORT

A webinar titled “**Socio-Psychological Role of Women in Present Pandemic Situation**” was organized by Women Cell on 21st May 2021(Friday), from 11.30 am – to 2 p.m. The inaugural speech was delivered by our Principal Dr Bidyut Samanta. A formal speech was given by IQAC Convenor Dr Jyotirmay Pramanik and the theme of the webinar was introduced precisely by Smt. Poulomi Talukdar. In this webinar, two resource persons were invited to deliver a lecture.

Dr. Aparnita Bhattacharjee Associate Professor Department of History, Midnapore College (Autonomous) gave a talk on “**An Invisible Monster, Shadow Pandemic: A Peep into the Shadow Reality**”. She covered various important issues on women. Violence against women remains a major threat to global public health and women’s health during the Pandemic.

Globally, 1 in 3 women worldwide has experienced physical and/or sexual violence by an intimate partner or sexual violence by any perpetrator in their lifetime. Most of this is intimate partner violence. Older women and women with disabilities are likely to have additional risks and needs. Women who are displaced, refugees, and living in conflict-affected areas are particularly vulnerable. She also said about

- Maternal health care
- HIV
- Violence against women and girls
- Impacts on mental health.

She discussed all these issues in detail and offered a valuable solution.

Our other resource persons were Smt. Anwesha Bandopadhyay, Jagamaya Devi College, Kolkata. He was talking about panic attacks and depression. She was not only given a speech; she showed the problem and she also gave us instructions on how to get rid of this kind of problem.

All our members were present in the webinar. Another important thing was approx. 80 to 100 students of our college attended the webinar. Professor Smt Shreyashi Roy conducted the webinar and a vote of thanks was given by Kuheli Pramanik. Finally, we must say that this webinar could not have been successful without Professor Udit Bhattacharya. So Special thanks to her.
