

Women's safety involves strategies, practices, and policies which intend to diminish viciousness against women (such as sexual harassment in the workplace, rape, marital rape, dowry, acid attack etc.) including women's feeling of fear toward crime. It involves safe spaces, independence from destitution, freedom from poverty, safe access to water & toilet facilities etc.

Keeping in mind these views, Women Cell, Kharagpur College, organized a two-day workshop (25-26 November 2022) on Self Defense at the Sports Complex of our college in collaboration with All India Seshinkai Shito-RWU Karate-Do Federation. Our principal Dr. Bidyut Samanta gave the inaugural speech and explained vigorously the importance of awareness of women safety now-a-days. The content of Workshop is explained precisely by Prof. Udita Bhattacharya. Altogether 200 students from our college got lessons on the basic self-protecting techniques of Karate in the adverse situations.

We have previously identified space as an important qualitative feature in the context of women's safety. Another arrangement of our institution that is maintained in every way by the Women cell is the girls common room, which is exclusively intended for female students. This common area provides privacy, a clean bathroom, and many other amenities needed by any female student on a daily basis.
