Report

A webinar titled “**Socio-Psychological Role of Women in Present Pandemic Situation**” was organized by Women Cell on 21st May 2021(Friday), from 11.30 am – to 2 p.m. The inaugural speech was delivered by our Principal Dr Bidyut Samanta. A formal speech was given by IQAC Convenor Dr Jyotirmoy Pramanik and the theme of the webinar was introduced precisely by Smt. Poulomi Talukdar. In this webinar, two resource persons were invited to deliver a lecture.

Dr. Aparnita Bhattacharjee Associate Professor Department of History, Midnapore College (Autonomous) gave a talk on “**An Invisible Monster, Shadow Pandemic: A Peep into the Shadow Reality**”. She covered various important issues on women. Violence against women remains a major threat to global public health and women’s health during the Pandemic.

Globally, 1 in 3 women worldwide has experienced physical and/or sexual violence by an intimate partner or sexual violence by any perpetrator in their lifetime. Most of this is intimate partner violence. Older women and women with disabilities are likely to have additional risks and needs. Women who are displaced, refugees, and living in conflict-affected areas are particularly vulnerable. She also said about

- Maternal health care
- HIV
- Violence against women and girls
- Impacts on mental health.

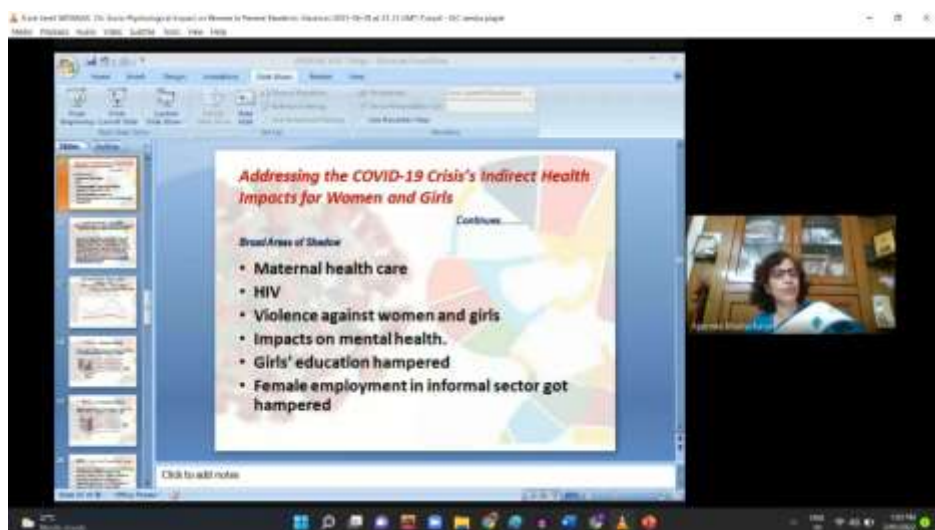

She discussed all these issues in detail and offered a valuable solution.

Our other resource persons were Smt. Anwesha Bandopadhyay, Jagamaya Devi College, Kolkata. He was talking about panic attacks and depression. She was not only given a speech; she showed the problem and she also gave us instructions on how to get rid of this kind of problem.

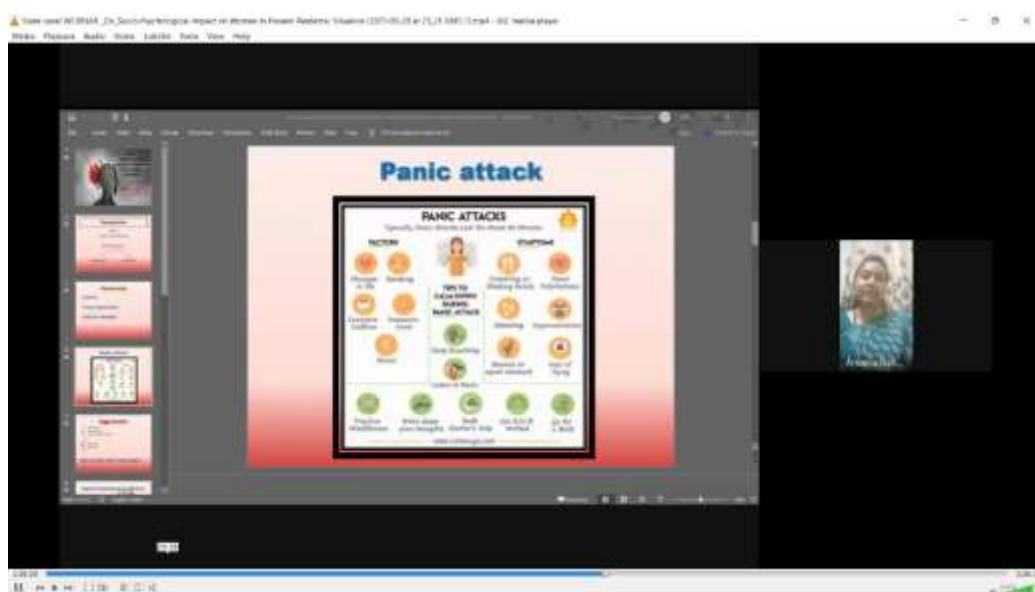

All our members were present in the webinar. Another important point was approx. 80 to 100 students of our college attended the webinar. Professor Smt Shreyashi Roy conducted the webinar and a vote of thanks was given by Kuheli Pramanik. Finally, we must say that this webinar could not have been successful without Professor Udit Bhattacharya. So Special thanks to her.

Women's safety involves strategies, practices, and policies which intend to diminish viciousness against women (such as sexual harassment in the workplace, rape, marital rape, dowry, acid attack etc.) including women's feeling of fear toward crime. It involves safe spaces, independence from destitution, freedom from poverty, safe access to water & toilet facilities etc.

Keeping in mind these views, Women Cell, Kharagpur College, organized a two-day workshop (25-26 November 2022) on Self Defense at the Sports Complex of our college in collaboration with All India Seshinkai Shito-RWU Karate-Do Federation. Our principal Dr. Bidyut Samanta gave the inaugural speech and explained vigorously the importance of awareness of women safety now-a-days. The content of Workshop is explained precisely by Prof. Udit Bhattacharya. Altogether 200 students from our college got lessons on the basic self-protecting techniques of Karate in the adverse situations.

We have previously identified space as an important qualitative feature in the context of women's safety. Another arrangement of our institution that is maintained in every way by the Women cell is the girls common room, which is exclusively intended for female students. This common area provides privacy, a clean bathroom, and many other amenities needed by any female student on a daily basis.
