

Observation of 73rd Foundation Day of Kharagpur College

All we know that our beloved institution will start the 73rd year of its journey on 29th August 2021. This year also, like the previous year, we are passing through the COVID-19 pandemic related restrictions on institutional activity. Therefore full-fledged celebration of our favourite 29th August is not possible and we observe different parts of the usual celebration day activities on different days to avoid gathering.

On the foundation day, 29th August, formal observance will be through hoisting of our college flag and garlanding of the statues in the college campus from 8.00 AM.

The blood donation camp is scheduled to be organized on 31st August, Tuesday, during 10-00 am to 2-00 pm.

On every foundation day, considerable number of prizes are given to our students for their performance in University Examinations and other fields like NCC, NSS, etc. The programme of distribution of those prizes will be held on 5th September from 12 Noon. Cultural competition of students has already been conducted through online mode by the Cultural Subcommittee of our Teachers Council. Prizes of this competition will also be given to the successful candidates in the same programme.

All the teachers, non-teaching staff and students of our college are cordially invited to participate in the programs.

Date: 27/08/2021

Dr. Bidyut Samanta

Principal
